

**Final Agenda (Aug. 12, 2010)**

“In 2003 a group of JATC/IBEW Training Directors/Coordinators met and discussed the need and benefits of a National Training Department. While that dream has yet to be realized, we are pleased to be having our 3<sup>rd</sup> annual national meeting in Saskatoon. This will be a continuation in building the dream started so many years ago. As Chair, it is a pleasure to invite you to attend, share ideas and work to achieve our goal for the betterment of the IBEW in Canada.”
